

Violet Way Academy

Year 1 Curriculum Summer Term - Journeys

<p style="text-align: center;">Guided Reading</p> <p>Children will have a daily guided reading session following our Rigby Star reading scheme. Children read a new Rigby star reading book in class each week and will bring home a Rigby Rocket book on the same level. They will read their book twice with an adult in school and complete follow up learning about it too. Please record in the children's reading diary about how they are doing with their reading at home.</p> <p>Children can read extra books at home by logging onto bug club at home. www.activelearnprimary.co.uk Their username and password for this is in their homework book.</p>	<p style="text-align: center;">Reading for Pleasure</p> <p>It is important that children develop a love for reading and have a chance to choose their own books and to read for pleasure. To instil this love of reading we have weekly library sessions where children can choose a book of their choice. This may be a fiction book, non-fiction book, a book they could read themselves easily or a book that they need an adult to read to them. Children must return the book from the previous week before bringing a new one home. We also have story time as a whole class at the end of the day. In this time we will be reading books linked to the topic Journeys or from our class book corner.</p>
<p style="text-align: center;">Phonics</p> <p>Children will have a daily phonics lesson in class. We do not follow a set scheme but we use the phonic sound cards from Read Write Inc to help teach the children the sound along with a rhyme to help them to remember it easily e.g. ay - <i>may I play</i>.</p> <p>This term the children will be in phonics set groups to revise all previous taught sounds before sitting the phonics test during this summer term.</p>	<p style="text-align: center;">English</p> <p>Children will read the story The Three Billy Goats Gruff and complete activities linked to writing and grammar based on the book. The children will then read Mr Gumpy's Outing and Mr Gumpy's Motor Car too.</p> <p>Grammar is an important part of the new curriculum and this term the children will be learning about exclamation sentences, doing words in past tense, plurals - adding es, conjunctions and but and prefix and opposite - adding un to words</p>
<p style="text-align: center;">Maths</p> <p>Children will have a daily maths lesson and will be taught in Set groups for maths. Over a term children will be taught aspects of: Number and Place Value, Addition and Subtraction, Multiplication and Division, Fractions, Measurement, Properties of Shape, Position and Movement from the new National Curriculum. Children will also have a weekly forest school maths session.</p> <p>Children can develop their maths skills further by completing maths activities on active learn at home: www.activelearnprimary.co.uk Their username and password for this is in their homework book and is the same as their one for Bug Club.</p>	<p style="text-align: center;">Homework</p> <p>Year 1 children will have weekly homework. This may be Maths, Writing, Grammar, Phonics or a Topic based homework.</p> <p>Homework books will be sent home on a Wednesday, please can they be returned to school on the following Monday.</p>
	<p style="text-align: center;">Additional Information</p> <p>A visitor will come into school to talk about Burton in the past.</p> <p>The children will also have a visit to Llandudno to look at a contrasting locality</p>

Artist

As an artist I will be learning:

- To use different materials to make a Ferry Bridge collage
