Parents registered an interest with the nursery. As children become eligible, parents are contacted and places allocated on a first served basis. The nursery is not tied to a catchment area and accepts children from a wide community.

If the number of pupils seeking admission to the nursery exceeds the number of places available, a waiting list will be kept and places allocated once a vacancy occurs.

Once a place has been allocated, parents are invited to visit the nursery with their child for a trial session. Parents will also be invited to an induction meeting, where information about the nursery will be given and any questions answered.

If places are available children may be admitted the day following their birthdays on the understanding that these are not funded places.
