

**April 2022**

**RE: Grandparents talk about Burton Friday 29<sup>th</sup> April – 1.45pm**

Dear parents and carers,

Our topic this half term in Year 1 is 'Our Town'. As part of the children's learning in history and geography, we will be looking at Burton in the past, making comparisons to the present and exploring iconic landmarks that represent the town we live in.

As part of our topic, we were hoping to invite some grandparents in to share their memories of Burton in the past and discuss with the children how the town has changed. If possible, if they could share pictures, we could upload them to a PowerPoint to play alongside to provide children with a visual too. We are hoping that the Grandparents will be able to share with children the buildings or places that have changed and what features are the same.

We would greatly appreciate any volunteers to help us give children a greater insight into Burton in the past. If you would like to help, or know someone who would, could you please email your class teacher with their names. We will then get back to you ASAP and put things into place.

We would need them to be able to take part on **Friday 29<sup>th</sup> April at 1.45pm.**

We look forward to hearing back from you.

Many thanks,

Miss Smith and the Year 1 team
