

May 2022

Dear Parents,

Year One Farm Trip

We are pleased to confirm that the Year 1 Packington Farm trip has been rearranged to take place in June. This is a trip provided by Packington Farm, in Barton Under Needwood, for children in the local area, to teach them about farming and the local environment. This is a fantastic opportunity for the children to explore and compare a local farming and woodland environment and take part in a range of activities.

Each class will go to the farm on a different day:

Dragonflies – Tuesday 21st June

Busy Bees – Wednesday 22nd June

Ladybirds – Thursday 23rd June

The trip will take place within school hours and the children will be back at the normal home time. A packed lunch and morning snack will be provided for all the children by the school. (Children will be asked prior to the trip for their choice.) Children will need to bring a bottle of water.

We are asking for a **small voluntary contribution of £1 per child** to help us cover the costs of this trip please, which is payable on ParentPay.

Please can children come dressed as they would do for Forest School, with school uniform on the top and a pair of suitable long trousers (in case of nettles) and a rain coat/ sun hat if appropriate. If children have wellies in school already they can wear these and change into them on the day. In case of good weather children will need to ensure they have sun cream applied before attending.

If any parents/ carers are able to help on this trip please contact Miss Evans in the office by emailing l.evans@violetway.org. You will be contacted if we need your help.

If you have any questions about this trip please don't hesitate to get in touch with us.

Kindest regards,

Year 1 Team
