

September 2022

Dear Parents,

Year One Farm Trip

We are writing to inform you about the forthcoming trip for the Year 1 children to Packington Farm. This trip is provided by Packington Farm, in Barton Under Needwood, for children in the local area, to teach them about farming and the local environment. This is a fantastic opportunity to enhance our learning this term as part of our “Me and my Environment” topic.

The Farm have kindly covered the cost of the coach and activities but have asked for a **small contribution of £1 per child** which will help towards the cost of organising the event. Please can all parents pay this through Parent Pay

Each class will go to the farm on a different day:

Dragonflies– Tuesday 20th September

Ladybirds– Wednesday 21st September

Bees– Thursday 22nd September

The trip will take place within school hours and the children will be back at the normal home time. A packed lunch and morning snack will be provided for all the children by the school. (Children will be asked prior to the trip for their choice.) Children will need to bring a bottle of water.

Please can children come dressed as they would do for Forest School, with school uniform on the top and a pair of suitable long trousers (in case of nettles) and a raincoat/ sun hat if appropriate. If children have wellies in school already, they can wear these and change into them on the day.

If any parents/ carers are able to help on this trip, please contact Lucy in the office. You will be contacted if we need your help.

If you have any questions about this trip, please don't hesitate to get in touch with us.

Kindest regards,

Year 1 team
