

Donations for our role play areas

Dear Parents and Carers,

The Reception team are sending you this letter to ask for donations. We would like to update the role play areas and we need your support to make them as inviting and exciting as possible. We are creating a doctor role play, school role play, a vet role play and a restaurant. We have created a list below of the things we need for each role play and are asking parents to have a look at home to see if you have anything you can donate to support us. If you have any of these items at home and you no longer use them, we would really appreciate your donations. Please can you send any donations to the office or your child's class teacher.
