

A Message from Mrs Kee

Well, it has certainly been a busy week at Violet Way! As you are aware, Ofsted visited us on Tuesday and Wednesday this week. The report will be shared with parents once it has been made available, which will be sometime in the summer term. Thank you to all those parents that were able to complete the parent view survey. The results of the Trust parent survey were very positive and will be shared in the summer term. In addition to our Ofsted visit, we have also worn odd socks to celebrate individuality and World Down Syndrome day and had an exciting visit from the Easter bunny!

It has been a difficult week for me this week as I prepare to hand over the baton to Mrs Harris. Leading Violet Way over the last two and a half years has been so rewarding. Supporting staff development, ensuring our curriculum is well-defined and enriched, making sure our vision and values are embedded throughout the school through positive relationships and interactions and enabling pupils to make progress academically and personally, has made me very proud. I know Mrs Harris fully believes in our vision and values and, like me, will lead with integrity and will always put the children at the heart of everything she does. I will always hold a special place in my heart for Violet Way and wish our whole school community all the very best for the future. Thank you for your continued belief and support.

Wishing our wonderful school community all the best in your ongoing adventure! Signing off for the last time, *Mrs Kee*

Thank you for your generosity and kindness with the cards and gifts. If I can still get on Marvellous Me, I will send a message to parents separately to thank you individually!

Lunchtime Awards

Attendance Matters!

Congratulations! These children have been achieved 100% attendance since the start of the academic year. One child has achieved the most improved attendance this term compared to last term. Well done!

Lots of other children received certificates for 100% attendance in the spring term, 96+% attendance in the Spring term and 96+% attendance in the Autumn and Spring terms. Remember – attendance matters!

Guess the Book Character Competition Winners

Congratulations to our winners who all received a new book for guessing the correct book character! book! Thank you to everyone who took part in the competition, and we hope that you read lots over the Easter break.

The Easter Bunny's Visit to Violet Way!

What a lovely surprise!

Goodbye and Hi!

We said goodbye to Mrs Kee today. We wish her well on her new adventure as she joins a Special School teaching and leading on behaviour, curriculum development and EYFS.

Our new Headteacher, Mrs Harris is excited to start her journey at Violet Way. She will be joining us after the holiday but has already visited school the meet and talk to the children, staff, leaders and parents over the last term, including visiting us during our Easter Bingo. Mrs Harris fully believes and embodies the vision and values of Violet Way, and we know she will be welcomed by our wonderful Violet Way community.

We will also be welcoming Lianne Hulland to Violet Way. She will be our new teaching assistant working in Squirrels class in the summer term.

A message from the Trust CEO

Dear Parents and Carers,

Another busy term is nearly over, with much to celebrate. As ever, we appreciate your commitment and support to your child's school life. Please see below a few updates:

Leadership and Management

There are some changes taking place over the next term in relation to leadership.

- Mrs. Michelle Kee is leaving her role as Headteacher at Violet Way Academy. We thank her for her considerable commitment and hard work. Mrs. Becky Harris will be picking up the baton as Headteacher following the Easter break.
- Mrs. Sonia Burke, Deputy Headteacher at Dosthill Primary, is moving to the new Free School Presumption (Garden Village Academy) after Easter as Headteacher. Mr. Richard Gould has been appointed as Head of School at Dosthill from July 2024.
- Mr. David Shakeshaft will be overseeing both Dosthill Primary Academy and Anker Moor Primary following the Easter Break as Executive Headteacher.
- Mrs. Kerry Davies, currently at Anker Valley Academy, has secured a post at Wilnecote Junior School as Assistant Headteacher of Inclusion.
- Mrs. Rebecca Bradshaw will undertake the role of Assistant Headteacher at Heathfield's Academy after Easter.

We appreciate that with ten schools there will be changes now and again. Our aim is to ensure that transitions are seamless and that leaders are supported to undertake their new roles as quickly as possible.

Garden Village Primary

Our new Free School Presumption, Garden Village Academy, continues to be built very rapidly. Significant engagement with the school community and other local schools has taken place, led by Tony Hand (Vice-CEO) as Project Lead. We expect the building to be handed over officially on July 22nd, 2024. There are already 21 confirmed places in the Reception year group and much interest in the Nursery provision. Please look at the Trust website for more information on Garden Village Academy.

Trust Wide Parent Survey

We received a response from 554 parents regarding the Edurio Trust Parent Survey. Immense thanks to the many parents who took the time to complete the questions. The results will be shared with school leaders and the Trust Board for further consideration. We value your insights. Thank you.

Recent Inspections across the Trust

We are delighted to report that both Anker Moor Primary Academy, Anker Valley Primary Academy and Edgehill Junior Academy have all received 'good' judgments in recent Ofsted inspections. The hard work and commitment of staff, parents and leaders has supported these positive outcomes.

The vast majority of our parents work with our schools in a respectful and supportive manner. This is crucial for us to maintain positive working relationships. Ultimately, this benefits our children. We continue to challenge any behaviour that is less than acceptable whether directly or indirectly e.g., through social media because ultimately this detracts from our job, which is to educate our children.

I hope you will enjoy some time with loved ones during Easter. We look forward to welcoming you back after the Easter break. Mrs Maria Hamblin

What is safeguarding?

Ensures that every child, regardless of their age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation, has a right to equal protection from harm.

Safeguarding is the steps that people take to protect children and vulnerable people from harm.

Examples of safeguarding concerns to look out for:

Physical

A group of children start pushing or hitting a smaller child when an adult is not looking

Emotional

You see a crying child run towards their parent who responds in a harsh manner using inappropriate language

Sexual

A teenage girl walking home is catcalled and harassed, or being touched without consent

Neglect

You see a child wearing the same dirty clothes everyday and who steals food from other children

How can you help?

If you ever see anything happen to a child that makes you feel uncomfortable, please let your safeguarding lead / person know. You are not causing problems but it could save a child from unnecessary harm.

Any one of these things might not mean anything, but if your safeguarding lead / person isn't told, then they can't help.

We appreciate that sometimes the holidays can be challenging but you can get help.

Internet Matters six tips for keeping children safe while online gaming

internet
matters.org

1 Take an active interest in the games your children are playing to get to grips with how they work and why they enjoy playing them

2 Ask who they play with online, who they meet and talk to, and talk about what kind of language is being used. Make sure your child knows how to do report abusive or anti-social behaviour

3 For younger children, use 'airplane' mode settings on your tablet or smartphone. That way, they can play offline without making accidental purchases or connecting with someone they don't know

4 Use PEGI ratings and App store ratings to ensure your children are playing age appropriate games. Help children understand why some games are allowed and others aren't

5 Gaming can be very addictive, so agree boundaries and how long they're allowed to play for and with whom they are allowed to play online with. Remind them that people may hide behind fake profiles and not be who they say they are

6 Teach your children to protect themselves by thinking critically – remind them not to share personal information and to keep gaming friends in the game only rather than adding them to their other social networks

Five top tips to manage children's screen time

Help your child make the most of their time on and offline

1 Set a good example with your own device use

Children will tend to model their behaviours on you, so if you start reading a book, they may follow your lead.

2 Talk together about the time they spend online

Understand what they're doing, and explain your concerns.

3 Agree an appropriate length of time that they can use their device

Put in place a family agreement to set some boundaries and don't break them.

4 Get the whole family to unplug and create 'screen free' zones at home

5 Use technology and apps to help manage screen time

For example, the Forest app enables them to grow a beautiful forest each day they don't use their phone for a set amount of time. The iPad's 'Guided Access' limits the time you can access any given app, which can be great for younger children.

60%

60% of parents are concerned their kids don't have interests outside the web
